LIDO BARNI

ARTICOLI TECNICI PER L'INDUSTRIA TESSILE

L'azienda | *Company profile*

Meccanica & Ingegneria Tessile dal 1976
Mechanics & Engineering from 1976

La ditta Lido Barni progetta, produce e commercializza una vasta gamma di accessori e parti di ricambio per macchinari tessili. Dal 1976 siamo impegnati nella ricerca di prodotti sempre più funzionali e attenti al miglioramento dei processi produttivi della filiera tessile.

Lido Barni propone ricambi compatibili per la maggior parte delle macchine tessili: Nuova Pignone, SMIT, Vamatex, Itema, e molti altri. Inoltre produciamo accessori come ad esempio tensionatori, passafilo, portarocche e paraffinatori.

Siamo in grado di pensare e realizzare soluzioni presonalizzate ad hoc per specifiche richieste del cliente. La nostra azienda, nata per soddisfare le esigenze del distretto tessile di Prato, ha saputo seguire le evoluzioni del mercato così da diventare oggi una realtà internazionale.

Lido Barni company designs, produces and commercializes a wide range of accesories and spare parts for textile machinery. Since 1976 we work on the continuous research for even more functional products, keeping attention on the improvement of manufacturing processes of textile industry.

Lido Barni supplies compatible spare parts for the most of the textile machines such as Nuovo Pignone, SMIT, Vamatex, Itema and more. Moreover we produce technical accessories like, for example, tensioner devices, thread yarn, bobbin holders and paraffin dispensers.

We are able to think and realize tailor-made solutions for any specific request of the costumer. Our company was born to meet the requirements of the textile district in Prato (Italy) and over the years has followed the market development becoming a valuable reference in the textile industry worldwide.
